

Is Your Company Stealing From Our Government?

Our government is being defrauded daily by people and companies that are:

- Overcharging on products and services
- Billing on products that are never provided or services that are never rendered
- Marketing off-label use of drugs by pharmaceutical companies
- Causing others to defraud the government
- Committing contract fraud, preparing false records or statement bills
- Fraudulently buying property of the government from someone unauthorized to sell it
- Providing illegal kickbacks

Industries and organizations that are known for large-scale fraudulent acts against the government include:

- Financial: SEC trading, tax fraud
- Government contracting
- Medicare/Medicaid fraud
- Pharmaceutical manufacturing
- Medical devices
- Hospice care
- Medical Transportation/ambulance
- Dentists and Orthodontists
- Doctors and Hospitals
- Nursing Homes
- Home Health Care agencies
- Laboratories
- Managed Care Organizations

Please [contact us online](#) or call 214-505-0097 if you have original source independent knowledge of the above described fraud being committed.
